

## Artwork Guidelines

1. Place artwork on "artwork" layer
2. Do not edit the "guide" layer
3. Position artwork as required
4. Outline all fonts
5. Clip artwork to 118mm
6. No bleed

### Notes:

wewow are able to print within a maximum area of 118mm – 23mm

**GUIDE LAYER - DO NOT PRINT**

Full vector artwork is preferable set up with Pantone references
