

Printers' Pairs.

For booklet printing, the artwork needs to be supplied as 'printers pairs.' This means that the sheets are laid out ready to print straight from. The front page will always be paired with the last page and the pages should be clearly marked with page numbers...see the examples below.

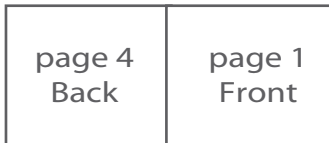

2 Page Booklet

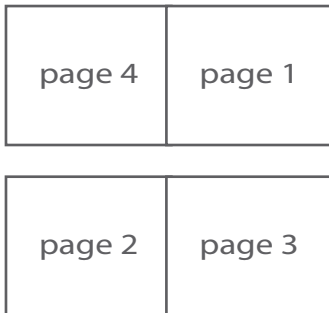

12 Page Booklet

4 Page Booklet Printed 4/0

4 Page Booklet Printed 4/4 or 4/1

16 Page Booklet

8 Page Booklet
